

A REPORT OF THANKSGIVING AND PARTNERSHIP APPEAL FROM DESTINY COMMUNITY SCHOOL

Providing Equal Education Access to All.

Introduction

With hearts overflowing in gratitude and deep appreciation, we extend our sincere thanks to you, Röbi, and the entire Swiss tourist team for your remarkable kindness, generosity, and love shown to Destiny Community School. Your visit was not

merely an event but a life-impacting experience that has left an enduring mark on our pupils, staff, and the wider school community.

What you have done goes far beyond material support; it has inspired hope, restored dignity, and strengthened our belief that the world is still filled with compassionate people who care deeply about the future of children.

An Unforgettable Train Journey

One of the most memorable highlights of your visit was the train journey, which proved to be a once-in-a-lifetime experience for many of our pupils. For our children and our staff, it was their very first time to travel in a tourism train, an experience filled with excitement, curiosity, and joy.

Providing Equal Education Access to All.

The journey created a unique learning and teaching environment beyond the classroom walls. It exposed the pupils and staff to new sights, sounds, and perspectives, broadening their understanding of the world. The laughter, the wide-eyed wonder, and the shared moments of joy will remain etched in their memories for years to come. Indeed, this was not just a journey of distance, but a journey of inspiration and discovery.

An Opportunity to Introduce Destiny Community School

The experience also presented a valuable opportunity to introduce Destiny Community School to a broader audience. Through your platform and interactions, the vision, mission, and impact of the school were shared with new friends and well-wishers.

This exposure is invaluable. It has helped shine a light on the work being done at Destiny, educating and nurturing children, many from vulnerable and disadvantaged backgrounds. By telling our story, you have helped amplify our voice and opened doors for future partnerships and support.

Meaningful Engagement with Passengers

Another significant aspect of this experience was the opportunity given to interact and engage with fellow passengers. These conversations were not only enriching but also empowering for both pupils and staff.

Our learners had the rare chance to communicate, share their stories, and build confidence as they interacted with people from different cultural and social backgrounds. Such engagements

foster personal growth, improve communication skills, and instill a sense of global belonging.

For many, it was a moment of realizing that their dreams are valid and that the world is full of people who care.

Generous Provision of Educational Materials

We are profoundly grateful for the wide range of educational materials that were donated. These included:

1. Pens and pencils, different stationary materials
2. Coloured pencils and Neocolour pens
3. Cards
4. Educational games

Providing Equal Education Access to All.

These resources are not just supplies but tools of transformation. They will significantly enhance the teaching and learning process, making lessons more engaging, interactive, and effective.

We are pleased to report that all the materials were fairly distributed across all classes, ensuring that every child benefits. This equitable sharing reflects the spirit of unity and inclusiveness that you demonstrated. The impact of these materials will be felt daily, as pupils learn, create, and grow with renewed enthusiasm.

Distribution of 20 School Bags to Vulnerable Children

A particularly touching gesture was the distribution of 20 school bags to 20 very disadvantaged children. For these learners, receiving a school bag is not a small gift. It is a powerful statement of worth, dignity, and belonging.

These bags have not only met a practical need but have also boosted the

confidence and morale of the recipients. They now walk to school with pride, feeling seen, valued, and supported.

This act of kindness speaks directly to the heart of our mission, to uplift and empower the most vulnerable among us.

Financial Support of 2,000 Swiss Francs

We also wish to express our heartfelt gratitude for the financial contribution of 2,000 Swiss francs. This generous support will be directed towards critical areas such as:

- Maintenance and improvement of school infrastructure
- Enhancement of the overall learning environment.

This contribution comes at a crucial time and will go a long way in improving the quality of education we provide. It is an investment not only in facilities but in the future of every child at Destiny Community School.

Providing Equal Education Access to All.

Appeal for Continued Partnership

While we celebrate this impactful support, we humbly seek to build a deeper and more sustained partnership with you.

Destiny Community School continues to face significant challenges, particularly in the areas of teacher support and child education sponsorship.

Many of our dedicated teachers serve with great sacrifice under limited financial support.

Strengthening teacher

welfare through stipends, training, and capacity building would greatly enhance the quality of education we provide.

Additionally, a number of our pupils come from extremely vulnerable backgrounds and struggle to meet basic educational needs such as school meals, uniforms, and learning materials. Sponsorship programs would ensure that these children remain in school and are given a fair opportunity to succeed.

We believe that through partnership, we can transform more lives, uplift communities, and create a lasting legacy of impact.

Providing Equal Education Access to All.

Conclusion

Röbi and the Swiss tourist team, your visit has been a blessing beyond words. You have sown seeds of hope, joy, and opportunity in the lives of our pupils. Your kindness has reminded us that true humanity lies in sharing, caring, and uplifting others.

Destiny Community School will forever cherish this partnership and the memories created. The impact of your generosity will continue to bear fruit in the lives of these children for many years to come.

May you be abundantly blessed for your compassion and goodwill. You will always remain part of the Destiny family.

With deep appreciation and Destiny partnership,

Your friend,

Rev. Peter Kaunda
